ASTRA - Central and Eastern Europe Women's Network for Sexual and Reproductive Health and Rights, is a regional network of NGOs and individuals advocating in a collective voice for sexual and reproductive health and rights in Central and Eastern Europe.

ASTRA works for the advancement of sexual and reproductive health and rights as fundamental human rights and advocates for their observance, prioritization and implementation on the international, regional and national agendas.

As a vital aspect of women's empowerment and gender equality, ASTRA supports women's right to free and informed choice on and access to: abortion, full range of modern contraceptives, information, education and services on sexual and reproductive health and rights. Special attention is given to youth and other underserved groups.
